

School Enrolment Virtual Tours

We create the 'wow'

Using the latest technology in 360 Imagery, Turbo 360 specialise in virtual school tours, including video and pop-up information for a fully interactive experience.

Go virtual in a week

- ✓ With a fast production turn around, your school tour can be delivered within one week... from production to deployment.
- ✓ Allow prospective families to walk through your school, with a full explanation of areas and programs on offer.
- ✓ Turbo 360 will work in partnership with your leadership team to produce a tour which best showcases your school.

"Getting this work done in a few days and up on our website has been incredible. It's also been a key feature of our communication with our families this week!"

- St Mary's Primary School

Don't cancel your school tours in 2020 - Get creative!

Customisation

Our virtual school tours can be formatted to a simple walk-through of the property, or a detailed showcase with clickable hotspots, embedded videos or include voiceovers.

Share Everywhere

Our virtual tours are designed for use across a wide range of resources and devices. You will achieve maximum reach across multiple distribution platforms.
